

## The Perfect Scenario

*In my head I drift off  
To a place  
With green hills  
And cottages.*

With a strong embrace  
And welcoming accent.*

*This place has endless tranquilly  
And beauty  
Where everyone has peace  
And love for each other.*

*Lately I visit this place,  
With you in mind  
Blocking others out,  
You're there to protect me!*

So I'll keep visiting this perfect scenario  
For however long I desire!*
