

## *Reality*

---

*Please take away these memories,  
Of acceptance  
Compassion,  
Equality,  
Because they don't happen anymore.*

*Please take away the past life I led,  
Of freedom,  
Pain-free days,  
Normality,  
So I don't compare it anymore.*

*Please take away my fantasies I have,  
Of loved ones'  
Acceptance  
Of my life's new path,  
So I don't feel like a failure anymore.*
