

The year of 2007

Joy

*As I watch
My beautiful nephews grow.*

Sadness

*Saying goodbye to two friends
Unexpectedly.*

Concern

*For loved ones
As they deal with health problems.*

Rewarding

*A lifetime dream coming true after months of conversing
I have my Aussie voice!*

Patience

*When procedures were delayed time and time again
Prolonging pain.*

Depression

*Being in the depths of pain day in day out
Bringing on fatigue and a lack of enthusiasm for life!*

Fun

*Playing with Declan and Quinn
Laughing at their cute ways.*

Gatherings

*Old and new
Enjoying each other's company.*

New beginnings

*Being free of headaches
Having my life back!*

*Love
Cuddles and kisses
From very special people.*

*Hope
For the new year ahead
May it be fantastic.*
