

TV and Rock Stars

*Reassuring a friend that
There's someone out there
For her
Is easy to do*

*That night I lay awake
Wondering if I really believe that?
I don't know
Do I?*

*All I know
I think of you as the perfect guy
Not as in to love
To measure other guys up to.*

*For the time being
I'll make do with
Fantasising about TV and rock stars
Cos that's easy to do!*

*One day I'm sure he'll come
Through that door
With all your qualities
And acceptance.*
